XD SERIES
5000 WATTS
Diesel Portable Generator

Ideal for Job Sites and Agricultural Applications
If you’ve got a tough job to do, look no further than the XD5000E generator.
The sturdy steel frame features an integrated lifting eye for easy transport and on-site security. Less than 6% total harmonic distortion - for smooth operation of tools, appliances, even sensitive electronics. And it’s engineered to keep running, thanks to a large fuel tank.

**FEATURES AND BENEFITS**

- **INTEGRATED LIFTING EYE**, allows for easy transport and security on the job site
- **LARGE-CAPACITY**, 12 gallon fuel tank with fuel gauge provides a long run-time of 32.4 hours @ 50% load
- **YANMAR LW SERIES 435CC**, air-cooled direct injection, industrial-grade diesel engine
- **1-¼" STEEL CRADLE**, for added durability and strength

**YANMAR LW SERIES 435CC ENGINE**

**FEATURES AND BENEFITS**

- Meets EPA’s Tier 4 Final certification standards
- The L100W engine offers a compact design without sacrificing on power and performance
- YANMAR’s proprietary direct injection technology allows for low fuel consumption
- Low oil shutdown safeguards engine from damage
CONTROL PANEL FEATURES

HOW MUCH POWER DO YOU NEED?
Sizing a portable generator is easy. Check out this sample:

1. CHOOSE WHICH DEVICES YOU WANT TO POWER AT THE SAME TIME.
2. RECORD AND ADD THE RUNNING WATTS LISTED FOR EACH DEVICE THAT YOU NEED TO POWER.
3. RECORD THE STARTING WATTS LISTED FOR EACH DEVICE.
4. SELECT THE ONE DEVICE WITH THE HIGHEST STARTING WATTS. ADD THAT NUMBER TO THE TOTAL RUNNING WATTS TO DETERMINE THE TOTAL WATTAGE REQUIREMENT.

### HOME STANDBY GENERATORS

The Safe, Automatic Solution for Home Backup.

The power goes out and the generator goes on – whether you are home or away. It’s that’s simple. Install the #1 selling home standby generator from Generac and never again deal with extension cords or refueling in a storm. Instead, enjoy safe, automatic home protection from the inconveniences and potentially dangerous effects of power outages. There’s nothing like the peace of mind a Generac automatic home standby generator can give to you and your family.

**AUTOMATIC 24/7 POWER PROTECTION**

---

### Portable power since 1959

Since the original portable that started it all in 1959, Generac has continued to engineer advances in standby power for more than fifty years. Generac's product range includes power solutions from portable and automatic home standby generators to backup systems for commercial and industrial applications, all backed by an extensive nationwide service network of certified dealers. Because of our ongoing commitment to quality and innovation, Generac is the name home and business owners have come to trust.

### Portable Parts and Service

Generac portable generators are supported through an extensive nationwide service network that provides parts and technical support to homeowners and contractors. For a portable generator dealer near you, visit generac.com.
